

# BYFC Parent Volunteer Info

Prior to the start of your shift, you must sign in at the volunteer check-in table located next to the canteen. Be sure to arrive at least 10 minutes prior to your shift start time. It is your responsibility to track your own hours and to remember what shifts you signed up for. The only duty available during away games is minimum play monitoring. Upon completion of 10 or more hours, a verification card is furnished to the volunteer and volunteer fee check of \$250.00 is returned.
