

# BENICIA YOUTH FOOTBALL & CHEER

## FOOTBALL EQUIPMENT/UNIFORM & CHEER UNIFORM RETURN POLICY

The Benicia Youth Football & Cheer (BYFC) registration fee only partially covers the cost to field one participant. It includes the use of practice uniforms (football only), game uniforms (both football & cheer), football equipment, medical supplies, field use & equipment, liability insurance, game officials and the leagues conference fees.

Each year the league is responsible for replacing and re-conditioning old and/or worn out football equipment, such as helmets, shoulder pads, practice uniforms (football only) and/or game uniforms (both football & cheer).

In past years there has been an abundance of football equipment, practice uniforms (football only) & game uniforms that are not returned at the end of the season.

The result of failure to return equipment costs the league unnecessary expenses to replace.

By registering a BYFC participant, parent(s) or legal guardian(s) and football player or cheerleader accept full responsibility for the return of all issued football equipment, practice uniform (football only) & game uniform back to BYFC at the immediate conclusion of the season. Parent(s) or legal guardian(s) and football player or cheerleader further agree to replace any lost, stolen or damaged football equipment, practice uniform (football only) & game uniform. Football equipment, practice uniform (football only) & game uniform are valued at \$500.00 per participant.

NOTE: normal wear and tear will be excluded.

By signing this agreement I/We the parent(s) or legal guardian(s) and player or cheerleader have read this notice and agree with all of the terms.
